

## Music – Instrument – Repair Shops a/o 01/03/2020

Below is a list of some music and instrument stores as well as repair shops in the surrounding suburbs. It is not meant to be all-inclusive. We are not promoting any one store and they are in alphabetical order. Most carry music, provide lessons and have instrument rental programs as well as repair instruments. Many of these stores have been patronized by band parents over the years. Call with your particular needs. Please tell us if you know of a store we should add or remove.
