CARING FOR SHEET MUSIC – Bring a sharpened pencil to every rehearsal, to make light notations. Anything heavier will require the member to make a working copy.

Music is not to be defaced, dog-eared, or torn, and should be kept from getting wet from spills or rain. Keep your music in a safe place, not where younger siblings may get to it. [There is a fine, for damaged \(in our judgment\) or lost music; \\$4 per full size, \\$1 per marching size.](#)

NOTE - To avoid these problems, some members prefer to make their own working copies, kept in page protectors in a binder, on which you can write with a Dry-erase, "Expo" type marker. Keeping your music in a binder also makes it very easy to find songs at rehearsal and eliminates having loose pages blow or fall off your stand. The original music can then be returned during the designated collection period. Unless you make working copies you must carry your music in a sturdy folder.

Cadets and parents, be sure to also read the General Notes further down.

While the director doesn't require it, she strongly urges every Symphonic member to adjust their schedule to participate in this performance. It is the main state convention for Illinois home schoolers. **This performance is also a very important recruiting effort for our band program.**
