SUMMER MARCHING

**The Marching Registration will be completed ONLINE.
The link will not be on our website.**

You will receive an email from Mrs. Borow on April 15 that will have the link to the online registration for marching camp, all parades and both football games. Music distribution will be based on your responses.

Summer Marching Registration Deadline is April 25

ALL eight (8) camp days – both pre-camp and Full Camp – will be held at the DuPage County Fairgrounds, from 9am to 12 noon.

We need a registration from every family, marching or not. If not marching, there is no need to fill-in information other than for Summer Instrument Rental, Y or N. "Submit" button is last.

To help in planning your summer activities, below are requirement reminders and some dates associated with Summer Marching. **Know that newly graduated Cadets may join us for Summer Marching.**

REQUIREMENT REMINDERS

1. If you want to march in parades, football performances, etc., you **MUST** come to camp, period. If you (students only) can't make camp, you don't march or perform at games. See **NOTE** below.
2. **All participants must march a minimum of 2 parades.** See **NOTE** below.
3. If you are unsure or anticipate the possibility that you may need to cancel on a parade date or dates, it is better not to sign-up for any questionable dates. Rather, if you find you become available for a parade call Mrs. Borow the week before the parade and she will let you know if she can fit you in the block. Fitting someone in is far more preferable than dealing with a cancellation and having a hole in the block.

NOTE: *If someone has a conflict with point 1 or 2, they will need to talk to Mrs. Borow directly. She will handle conflicts on a case-by-case basis. PLEASE DO NOT DISCUSS THIS WITH HER ON A BAND NIGHT.*

VERY IMPORTANT

If you plan on participating in ANY event of the entire marching season (parade, football games, etc.) **you need to attend camp** where the marching music for the entire marching season is finalized and distributed. It's very difficult to distribute music after the fact, especially for additional performances. It doesn't mean you are doing every performance but at least you will have the music without individual distribution.
